Dear Varad Anand Velangi,

Subject: Appreciation for Developing an Automated Customer Data Solution for HESCOM, Belagavi.

I am writing on behalf of Hubli Electricity Supply Company (HESCOM) to extend our sincere appreciation and gratitude to the students of KLS Gogte Institute of Technology, Belagavi, for their exceptional contribution in developing an innovative solution to automate customer data for our billing software.

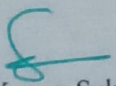

Your team's dedication, technical expertise, and innovative approach have significantly improved our Billing and Energy Audit Processes. The automated solution has enhanced our operational efficiency, reduced manual errors, and provided a seamless experience for our customers.

The professionalism and teamwork demonstrated throughout the project are commendable. We acknowledge the time and effort invested by each member of your team, and we are genuinely impressed by the quality of the work delivered.

This achievement is a testament to the high standards of education and training provided by KLS Gogte Institute of Technology, Belagavi. We are confident that the skills and knowledge you have gained will serve you well in your future endeavors. We thank Dr. Sudhindra B. Deshpande, Associate Professor, dept. of ISE for guiding the team and effectively implementing the solution.

Once again, we thank you for your invaluable contribution and wish you all the best in your academic and professional pursuits. We look forward to future collaborations that can further drive innovation and excellence.

Yours sincerely,

[Sanjeev Kumar Sukhasare]
